Bank may empanel H-2 , H-3& H-4 also as per requirements of Bank.

As an example, the following procedure can be followed.

In a particular case of selection of service provider, it was decided to have minimum qualifying marks for technical qualifications as 70 and the weightage of the technical bids and financial bids was kept as 70:30. In response to the RFP, 3 proposals, A, B & C were received.

The technical evaluation committee awarded those 75, 80 and 90 marks respectively. The minimum qualifying marks were 70. All the 3 proposals were, therefore, found technically suitable and their financial proposals were opened after notifying the date and time of bid opening to the successful participants or as mentioned in the RFP. The tender committee examined the financial proposals and evaluated the quoted prices as under:

Proposal Evaluated cost

A= Rs. 120.00

B= Rs. 100.00

C= Rs. 110.00

Using the formula LEC/EC, (where LEC stands for lowest evaluated cost and EC stand for evaluated cost) the committee gave them the following points for financial proposals:

A: $100/120 = 83$ Points; B: $100/100=100$ Points; C: $100/110=91$ Points

In the combined evaluation, thereafter, the evaluation committee calculated the combined technical and financial score as under:

Proposal A: $75 \times 0.70 + 83 \times 0.30 = 77.40$ Points

Proposal B: $80 \times 0.70 + 100 \times 0.30 = 86.00$ Points

Proposal C: $90 \times 0.70 + 91 \times 0.30 = 90.03$ Points

The three proposals in the combined technical and financial evaluation were ranked as under:

Proposal A: 77.40 Points : H3 Proposal

Proposal B: 86.00 Points : H2 Proposal

Proposal C: 90.03 Points : H1 Proposal

Proposal C at the evaluated cost of Rs. 110.00 was, therefore, declared as 1st choice for empanelment and recommended for negotiations to the competent authority. Proposal B is 2nd Choice and Proposal A is 3rd choice.

The CG-APEX bank reserves the right to empanel H1, Or H1 and H2 at its sole discretion. Bank's decision in this regard will be at its sole discretion.
